PRACTICE AREAS: ZONING AND LAND USE

Felipe A. Zubia, AICP is a Planning Consultant of Beus Gilbert McGroder PLLC, a premier boutique law firm concentrating on High Stakes Litigation, Real Estate and Zoning Law, and Plaintiffs Catastrophic Injury & Wrongful Death. Mr. Zubia has a range of experience as a community planner in both the public and private sectors. While in the public sector, he became thoroughly familiar with the technical, administrative, and political considerations of entitlement approvals, culminating with his role as the Director of Development Services for the City of Avondale, Arizona. Through his work in the private sector, Mr. Zubia continued establishing himself as a leader in the field, mentoring young professionals, successfully managing several large, multi-disciplinary projects, and running his own planning and engineering firm, ReSEED Advisors, until merging with Matrix Design Group. He has also served on several voluntary boards and commissions including the Arizona State Transportation Board, City of Phoenix Planning Commission, Arizona Real Estate Advisory Board, and the Maricopa County Trails Commission. His experience as a practitioner and decision-maker has provided him a unique perspective to entitlement solutions through integrated land use and community decisions.
