PRACTICE AREAS: ZONING AND LAND USE

Kurt Waldier is a Planning Consultant at Beus Gilbert McGroder PLLC, a premier boutique law firm concentrating on High Stakes Litigation, Real Estate and Zoning Law, and Plaintiffs Catastrophic Injury & Wrongful Death. Mr. Waldier is a member of the firm's Zoning & Real Estate practice.

Prior to joining the Zoning & Real Estate team at Beus Gilbert McGroder PLLC in 2021, Mr. Waldier worked six years at Matrix Design Group to begin his career working with communities across the county. In this role, Mr. Waldier worked closely with municipal staff to develop a variety of long-range community development projects, including regional plans, general and comprehensive plans, master plans, transportation plans, as well as zoning ordinance updates. This experience has provided a broad range of lessons learned in community development and a strong understanding of the community development process.

EDUCATION:

Ball State University, - Bachelor of Urban Planning and Development; Masters of Urban Design
